Dear MR.Gary Tremolada

I've decided to write you a letters of recommendation, thanking you for your help. I enjoyed being taught by you immensely; you are an excellent teacher and have inspired me to continue learning with an open and positive mind. I appreciate all your hard work, it's meant so much to me.

The program is beneficial to me and my organization. It has built confidence, personal effectiveness, creativity, financial knowledge, planning and several skills of contemporary management strategies and approaches. The program has boosted my self-esteem. My organization has benefited from the program since the contents of all the modules I have finished are applied in the workplace."

Once again, thank you so much for your time, expertise and patience!

Yours sincerely

Evelyne Elkhoury
